

# RAMLA EMAN

## WEB DEVELOPER

P: +92 349 9038321 E: ramlam.eman.ra@gmail.com

Hi! I'm Ramla Eman, a 15-year-old web developer who loves building cool, interactive websites. I specialize in front-end and full-stack development, using tools like **React.js**, **Tailwind CSS**, and **Three.js** to create smooth, modern web experiences.

Design and animation are my favourite parts — I enjoy turning creative ideas into fun, engaging digital spaces. I'm always learning new things and pushing myself to do better.

Let's team up and create something amazing together!

### HIGH SCHOOL

AUG 2018 – FEB 2025

Government Girls/Boys Secondary School Anjam Colony  
Baldia Town Karachi

### WEB & APP DEVELOPMENT

MAY 2024 – ONGOING

LEARNING AT SAYLANI MASS IT TRAINING PROGRAM  
IN KARACHI

### Freelance Web Developer

*Self-Employed | Remote | Jan 2024 – Present*

Freelance Web Developer with experience building responsive websites using React.js, Tailwind CSS, Firebase, and Cloud nary. Worked with global clients on e-commerce, portfolios, and dashboards, handling UI/UX, integrations, and project delivery independently.

### Front-end Web Developer

*SAMZ Technology | Remote | Nov 2024 – Feb 2025*

Contributed to real-world web projects by developing responsive user interfaces using HTML, CSS, JavaScript, and React.js. Gained hands-on experience with version control (Git), API integration, and modern UI/UX practices. Collaborated with senior developers and participated in code reviews, debugging, and deploying live websites while improving problem-solving and teamwork skills.

# R E S U M E

## PROJECT

### Comforty

A sleek and modern furniture e-commerce template showcasing clean UI, smooth navigation, and responsive design.

### Revelation

A playful and colorful stuffed animal toy shop template designed with a fun UI, engaging layout, and mobile-friendly experience.

### Task Manager

A minimalist and elegant landing page built for a hackathon task, featuring smooth layout, responsive design, and clean UI.

## CERTIFICATE

### PROCOM'25 – Participation Certificate

**FAST National University, Karachi | February 18–19, 2025**

Engaged in PROCOM'25, one of Pakistan's largest tech and business competitions hosted by FAST-NUCES. The event included over 40 competitions in AI, software development, data science, and cybersecurity, alongside a major job fair connecting students with industry leaders.

### Women Tech Quest – Participation Certificate

**10Pearls University | February 15, 2025**

Participated in the UI/UX Design competition at Pakistan's premier tech event for women, Women Tech Quest, organized by 10Pearls. The event featured over 1,200 women across Karachi, Lahore, and Islamabad, fostering skill development, networking, and empowerment through design, coding, and testing challenges.
