## Full-Stack DEVELOPER

P: +92 349 9038321 E: ramla.eman.ra@gmail.com

Hi! I'm Ramla Eman, a 16-year-old. I'm a **full-stack JavaScript developer** with experience in building modern, responsive, and interactive web applications. I work with **React.js**, **Node.js**, **Express.js**, **MongoDB**, and **Tailwind CSS** to develop both user-friendly interfaces and scalable backend systems. I enjoy designing smooth user experiences, experimenting with animations, and improving application performance.

I'm continuously learning, contributing to open-source, and exploring new technologies to strengthen my skills and build impactful digital solutions.
